

ZFIN Antibody Wiki

Welcome to the ZFIN Community Antibody Wiki. This is where zebrafish researchers can help each other by sharing antibody information - new antibodies, protocols, tips - anything that might be helpful.

Finding an antibody

Antibodies often have several different names. If you don't see an antibody in the list below, double-check by searching for it or any of its related information using the antibody search-field:

 Use * and ? for wildcard searches. For more help with search syntax, see [Confluence Search Syntax](#).

How to Contribute

To create a new antibody or add a comment, you must [log in](#) . If you do not have an account, [sign up](#) to become a registered user.
