The International Zebrafish Society at The Allied Genetics Conference (TAGC) (Metro Washington, DC - April 22 – 26, 2020)

The International Zebrafish Society (IZFS) will be participating in TAGC2020, which will take place on April 22 - 26, 2020 in Metro Washington DC. This is a follow up to the International Zebrafish Conference that took place at TAGC2016. Join us at the opening night Zebrafish mixer! Half of the sessions will be programmed as zebrafish ones and half joint with the other model organisms. Other communities participating include C. elegans, Drosophila, Mammalian, Xenopus, Yeast, and Population, Evolutionary & Quantitative Genetics. A keynote talk will be given by Alex Schier.

Registration and Abstract Submission Opens: October 2019
Early Registration and Abstract Submission Deadline: December 5, 2019
Hotel Reservation Deadline: April 1, 2020
Advance Registration Deadline: April 17, 2020

For more information on the conference and for information on zebrafish specific sessions, visit http://conferences.genetics-gsa.org/tagc/2020/zebrafish.
