

Tenure-Track Assistant/Associate Professor Faculty Position - University of Miami, Florida

Tenure-Track Assistant/Associate Professor Faculty Position

Department of Biology

University of Miami, Florida

Developmental Biologist: Applications are invited from outstanding scholars engaged in addressing fundamental questions in any area of developmental biology. We welcome applications from candidates whose research would complement the existing strengths of our department and would be interested in contributing to cross-campus collaborations with other academic units at the University of Miami. Inquiries should be directed to the Search Chair at devbiosearch@bio.miami.edu.

To be eligible for this tenure-track appointment at the Assistant/Associate Professor level, successful candidates must hold a PhD, have postdoctoral experience, are expected to develop vigorous, externally funded research programs and to teach at both undergraduate and graduate levels. More information about the Department and University can be found at <http://www.as.miami.edu/biology/>. Applicants should submit a cover letter that includes a description of potential interactions they foresee with faculty in the Department of Biology or other units at the University of Miami, a curriculum vita, two representative publications, a research statement, a teaching statement, and the names of at least three references online to <http://www.as.miami.edu/biology/jobs/>

To receive full attention application materials must be received by November 15, 2017.

The University of Miami is an Equal Opportunity Employer, and Females/Minorities/Protected Veterans/Individuals with Disabilities are especially encouraged to apply. Applicants and employees are protected from discrimination based on certain categories protected by Federal law.
